

Paul Gentosi Bio

PROFESSIONAL HISTORY: Paul Gentosi has over 45 years of current real-world general contracting experience throughout Orange, Los Angeles, Riverside and San Bernardino Counties.

He is the second-generation owner and President of the Gentosi firm, a family-owned and operated full-service general construction company serving the Southland since 1946.

Over the last 64 years, the Gentosi firm has established itself as a name brand in the southern California commercial/industrial construction arena with an excellent reputation for utmost integrity. Since its inception, this diverse company has built hundreds of projects totaling in the millions of square feet.

CONSTRUCTION EXPERIENCE: Paul started his construction career on a part-time basis in 1967 working as a carpenter while attending college. In 1972, after graduation, he began his full-time work when he joined the company continuing in the same capacity of journeyman carpenter, working on a wide range of product types. Paul attributes his initial ten years of hands-on experience with giving him the unique understanding of construction means and methods that is so important in his current role. During those years, his responsibilities grew as he assumed the duties of superintendent, estimator, project manager, operations manager and executive vice president. Each of these functions provided hands-on experience allowing him the ability to lead people whose jobs he truly understands.

In 1986, Paul became president of the company. By 1997 and with Paul at the helm, the company's average project size had grown tremendously as the firm had penetrated a larger and more complex market

EDUCATION: Paul Gentosi is a 1972 graduate of California State University at Long Beach with a Bachelor of Science Degree in Industrial Technology-Construction.
